

MEGALONG PUBLIC SCHOOL

NEWSLETTER

Term 4, Week 10

16th December, 2020

Dear Megalong Families,

The year has come to a finale and I thank you all for your support over this year! We have worked together to ensure our school runs smoothly providing excellence in education to provide our students optimal attention and diverse range of learning activities.

This term students have enjoyed their intensive swim school program, showing a leap of improvement in stroke development and confidence in the water. Thank you to Lisa for her dedication to provide such intensive lessons over the last four weeks.

We had the last P&C committee meeting on Friday, which had a wonderful turnout of local past parents and community members. It was a productive meeting with everyone keen to show their support to give Megalong Public School a bigger profile next year in 2021. I look forward to a positive new year with the support of our community.

Thank you to our wonderful parents who support one another, whether chatting at the school gate or transporting students to excursions. This makes our school special and similar to a large family. I wish all our families a safe and happy Christmas and New Year!

Warmest wishes for a safe and happy Christmas

Stephanie Scott

Principal

Online Enrolment System

The online Enrolment system can be accessed online through our website. Otherwise a paper copy can be collected from our front office. We also have a kindergarten orientation bags that can be posted to parents or picked up at our front office for parents considering enrolment in 2021.

Science Craters on the Moon Experiment.

Students enjoyed measuring the distance and force of meteors that would have made the craters on the moon. They learned about meteors and the phases of the moon. They also experimented with balloons to show static electricity, and explored how air has mass, and gravity on earth.

Dates to watch for...

15th December— Ice Skating and High Tea

16th December— Last day of Term 4

29th January— First day of Term 1 2021

Reminders..

- ♦ School Drive Subsidiary—Apply at Transport NSW by the last day of term!

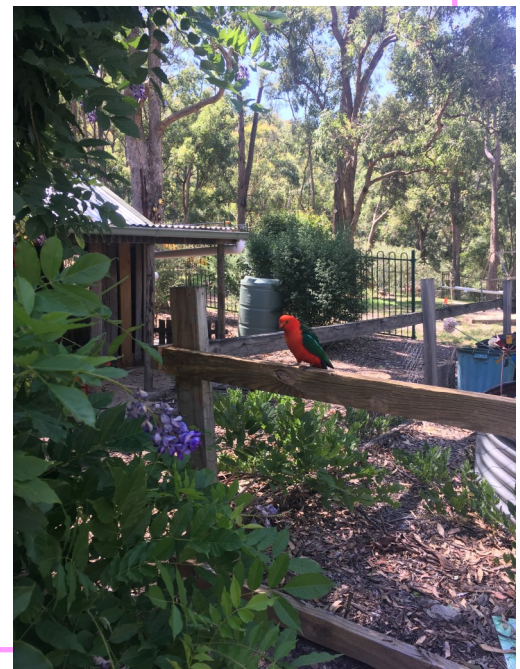

Birds Around the Playground

The Students found and rescued this little Tawny Frogmouth hatchling. With the help of WIRES they have reunited it with its family and are monitoring it, hoping for a happy outcome.

Our gorgeous resident King Parrot continues to visit

Swimming Lessons

Remember your sun and swim safety lessons throughout the holidays
